Crushing Weight of 1,100 Aircraft Thrown Into Attack on Cologne By R. A. F. Armada

SEVENTEEN PLANES LOST

London, April 21.—(P)—The German radio reported a major attack today on southern Europe by American heavy bombers, and the air ministry announced the RAF last night dropped the heaviest bomb load of the war—more than 5,040 tons—on four railroad centers in Germany and occupied countries.

A German broadcast said Buchs attacked by the American bombers, apparently from bases in Italy.

More than 1,100 bombers—the largest force of these planes dispatched by the RAF—took part in last night's smash against Cologne and other centers. This was the second time within four days that the RAF had taken the record for bomb tonnage. More than 4,480 tons were scattered Tuesday night upon four railroad centers.

Only 16 bombers were lost in tremendous night operations, including a Mosquito raid on Berlin, which quickly followed yesterday's dusk attack on Adolf Hitler's Atlantic wall by a fleet of 1,000 Flying Fortresses.

An Air Ministry communique said a great weight of bombs was dropped in the four-day assault, suggesting that it might have exceeded the 4,480 tons deposited on French rail targets by a 1,000-bomber fleet on Tuesday night when the RAF marked up a record to that time in bomb tonnage, in less than 72 hours Allied air forces in Britain sent 9,000 planes roaring against the European Fortress with close 15,000 tons of explosives on rail stations which tie the invasion front with the Reich, defending fields, plane factories and coastal defense installations in an unprecedented pattern of destruction obviously designed to flatten paths for Gen. Dwight D. Eisenhower's troops.

This pattern was continued today as bomber formations, including American Marauders, skipped across the channel, Continental Division stations closed down, and fires harassed the military factories in northern France that were hit by 2,500 tons of explosives by the Americans yesterday. In addition to Cologne, rail targets in the RAF assault last night were Ottignies, 15 miles west of Brussels, Lens in the Sambre-Scheldt area of France, and Chappelle on the outskirts of Paris where a ring of rail junctions had been attacked in recent days.

Seafrontiers of the coastal command also made a foray against shipping off the Dutch coast, hitting one large escort vessel with a torpedo and damaging smaller ones.

On the same night an American destroyer, patrolling off the beachhead, intercepted four E-boats, probably sending one of them to the bottom and probably damaging another.

The Germans shelled Ortona heavily and threw a harassing fire (Turn to Page Seven)

State A. F. of L. For a Fourth Term

By BEATRICE BIBERMAN
Wilkes-Barre, April 21.—(P)—The Pennsylvania Federation of Labor unanimously adopted today a resolution endorsing a fourth term for President Roosevelt.

The AFL convention is attended by 853 delegates, representing a claimed 325,000 members.

A resolution that neither U. S. Senator James J. Davis, Republican, nor U. S. Rep. Francis J. Myers, Democrat, be endorsed in the U. S. senate election campaign was before the delegates to the Pennsylvania Federation of Labor today.

The resolution was introduced yesterday by the convention's political action committee, headed by Norman Blumberg, secretary-treasurer of the Philadelphia Building Trades Council.

President of the Philadelphia Building Trades Council Joseph P. Burke was scornful of the resolution.

Earlier Federation President James L. McDevitt had said that William Green, AFL president, wanted the group to endorse Davis.

BULLETINS

Washington, April 21.—(P)—A national order issued Feb. 16 prohibiting deliveries of fuel oil to coast tankers having more than a ton-day supply was ended today by the Petroleum Administration for War.

Cleveland, April 21.—(P)—The city's \$5,000,000 Erie general hospital will be formally dedicated today in ceremonies which will include the army's supply chief, two S. senators and a presidential agent.

London, April 21.—(P)—The British-controlled Vichy radio today said that a detachment of Viet troops had arrived in northern Italy to fight against Italian fascist forces. There was confirmation of the report from Allied sources.

Washington, April 21.—(P)—The Office of Price Administration said it will increase the ceiling price for poultry at all sales levels by about a cent, effectively immediately and continuing through a month of April.

Philadelphia, April 21.—(P)—President Toledano of Mexico, president of the Latin American Labor Federation, has asked that the Argentine delegation be excluded from the International Labor Conference now in session here, a colleague desecrated today. (Turn to Page Eleven)

CONFLICT ON LIMITED WORK SERVICE PLAN

"Try-and-Get-It" Attitude Is Reaction of House Committee To Request For Legislation

MAY NOT REACH FLOOR

By WILLIAM F. ABROGAST
Washington, April 21.—(P)—A "try-and-get-it" attitude was the reaction of the house military committee today to a joint Army-Navy-Marine Commission request for labor draft legislation.

The joint recommendation followed by less than five hours the committee's report on draft deferments generally and 4-F's in particular. Briefly, the committee held that existing law was adequate to allow government agencies to force into limited military service 4-F's and men between 38 and 45 who refuse to take jobs in essential industry when jobs are available.

The committee long has opposed compulsory labor legislation and without its backing such legislation cannot reach the house floor.

"We have spoken and we meant what we said," Chairman May (D-Ky) declared when asked if the joint recommendation might persuade the committee to alter its position. "My committee made a report saying we do not need new legislation after hearing views of the government agencies involved. Just why they should wait until right after we have made our report before they make their recommendation is beyond me. If they have any recommendations for legislation they should come to Congress with them."

Rep. Costello (D-Calif.), who headed the subcommittee that made the deferment study predicted there would be no labor legislation this year.

"The problem can be handled without legislation," he asserted. "Selective Service can induct men now if they won't take the jobs they are needed for. A little action along that line would have very good results."

A Republican viewpoint was voiced by Rep. Harness of Indiana, who said:

"There is no necessity for drafting anybody except for military service. Why don't the Army and the Navy cooperate in trying to place in industry the 75,000 to 80,000 men discharged every month from service and able to work in industry? Less than five per cent of these men are going back to their jobs."

AMERICANS MAKING BEER FOR BEACHHEAD

Allied Headquarters, Naples, April 21.—(P)—Twenty thousand gallons of beer, brewed in Naples according to American specifications from American products, has arrived on the Anzio beachhead for troops of the Fifth Army.

The beer, the first to be issued in Italy to the Americans, was brewed under the supervision of First Lt. Allan J. Barney, a brewery chemist, St. Louis, Mo. Supplies will be issued to other troops in Italy as soon as a backlog has been cleared.

MISS AMERICA DIVORCED

Pittsburgh, April 21.—(P)—Henrietta Leaver Mustachio, "Miss America" of 1935, was granted a divorce yesterday after testifying her husband treated her "like a beautiful piece of furniture." She eloped with John E. Mustachio, her childhood sweetheart, a year after she won the national beauty contest at Atlantic City. They have a daughter, Patricia Anne, 7.

Prospective Candidate For President Is Rescued At Sea

Madison, Wis., April 21.—(P)—"We may have rescued the next president," a Wisconsin sailor wrote his parents in a letter describing the rescue at sea of an officer he identified as Lt. Cmdr. Harold E. Stassen, former Minnesota governor and Republican presidential possibility.

The Navy Department said it had no confirmation of the incident. But at South St. Paul, Minn., Mrs. Stassen, wife of the 37-year old flag officer in Admiral William D. Halsey's south Pacific fleet, said she had "heard from other sources something about it."

William Bornett, a former University of Wisconsin athlete, who is a sound man aboard a submarine, mentioned the incident in three letters.

In a letter to his parents, he said:

"The other day something happened that I think you might be interested in. Just a few weeks ago we were patrolling in front of one of these islands when somebody saw a small boat ahead. We came close and noticed that they were having engine trouble. We took the passengers aboard and one of them was Stassen. I've read where he's being wanted as a candidate for president. Well, maybe we saved the next one."

Stassen resigned as governor of Minnesota in April, 1943, four months after starting his third term, to enter the navy

Commons Has Discussion On Atlantic Pact

London, April 21.—(P)—Prime Minister Churchill told commons today that the British-American mutual assistance agreement was reached in 1942 with assurance from President Roosevelt that "we were no more committed to abolition of imperial preference than the American government was committed to abolition of their protective tariff."

Winding up the empire debate in commons, Churchill said:

"At my first meeting with the president of the United States in Newfoundland at the time of the so-called Atlantic charter, and before the United States had entered the war—a meeting for consideration of very anxious and critical matters—I asked for insertion of the following words in the Atlantic charter which can be read in that document:

"With due respect for their existing obligations xxx"

Nazi 'Human Bomb' Runs Out Of Fuel

With the Fifth Army at Anzio, April 21.—(P)—A German "human torpedo" ran ashore north of Anzio today. From his explosive craft a 17-year-old Kriegsmarine sailor lifted to safety by two Jewish American soldiers.

BUSINESS INDEX DROPS IN NEARLY ALL LINES

Pittsburgh, April 21.—(P)—The University of Pittsburgh Business Research Bureau today announced that reaction in nearly all lines of economic activity carried the index of district business down more than four points last week, following a decline of two points in the preceding week.

The combined index of business last week, after adjustment for the usual seasonal changes, stood at 175.6 per cent of the 1935-39 average, a level about the same as that reported at the end of March.

Rep. Luce Predicts Republican House

Columbus, O., April 21.—(P)—Clare Booth Luce, the Connecticut Republican congressman, said today it would be "impossible for President Roosevelt to govern this country even if he were re-elected next fall."

He told a press conference the next congress would be "overwhelmingly Republican" and that many persons who normally would vote for Mr. Roosevelt, would, instead, vote Republican to prevent a "stalemate that would result from a Democratic president and a Republican congress."

PACIFIC FLIERS AGAIN BATTER CAROLINES

For Three Consecutive Days Installations at Woleai West of Truk Trembles Under Bombs

OTHER RAIDS REPORTED

Allied Headquarters, Southwest Pacific, April 21.—(P)—Gen. Douglas MacArthur's heavy bombers are spanning the South Pacific with "milk run" regularity to blast Japanese bases in the Caroline Islands.

For three consecutive days, enemy plane installations at Woleai island in the western Carolines, and Satawan island, 150 miles southeast of the Key Japanese base at Truk, have trembled under bombs laid by MacArthur's Liberator squadrons.

The south Pacific fliers are lending a potent helping hand to American bombers which strike the Carolines from their central Pacific bases in the Marshall and Gilbert Islands. Army, Navy and Marine Corps aircraft are doing the slugging from both directions.

Since Sunday, Adm. Chester W. Nimitz' central Pacific fliers and MacArthur's bomb-layers have hit the Caroline bases in 22 raids. Their explosives have raised smoke pillars on islands from Woleai eastward 1150 statute miles to Pangelap.

(Nimitz' report yesterday of the 46-ton attack on Truk, the 25th assault on the atoll since the initial navy carrier-planes' raid in mid-February, said that the attackers left fires and explosions on Dublon and Moon islands. Several Army aircraft Liberators made the strike.

(The admiral also reported raids on Ponape, east of Truk; on Wake, American island occupied by the Japanese, and hit for the tenth time since the first of the year, and a 40-ton bombing assault on remaining Japanese holdings in the Marshall Islands.)

MacArthur's communique today told of the destruction of six enemy aircraft aloft and on the ground at Woleai, Tuesday and Wednesday.

Solomon-based Liberators struck at Satawan in the Nomiol island group Tuesday, the third raid in as many days.

D. A. R. Ballotting For Nine Officers

New York, April 21.—(P)—Daughters of the American Revolution in an overtime convention today a third time today to fill nine of the 22 national offices on the ballot.

A victory dinner last night honored Mrs. Julius Y. Talmadge of Athens, Ga., elected president general yesterday, had been scheduled as the closing event of the 53rd national continental congress.

Convention officials said they expected to complete the election and installation of officers this afternoon.

With the election of Mrs. Talmadge, remaining candidates on the slates of both Mrs. Campbell and Mrs. George D. Schermerhorn of Reading, Mich., third candidate for president general, withdrew their names, leaving the seven Talmadge candidates unopposed in today's election.

WOMEN FOREST FIRE FIGHTERS BE NEEDED

Harrisburg, April 21.—(P)—Aid of more women forest fire fighters was sought by the Department of Forest and Waters today to meet an increasing fire danger to the commonwealth's woodlands.

Chief Fire Warden George Wirt said some 130 forest fires have been reported so far this spring in Pennsylvania with the most serious occurring in 3,000 acres of private and state game lands near Rileyville, Wayne county, he said.

Cave Dwellers—1944

Caves provided safe refuge a million years ago, and they still serve the purpose in Dover, England, as picture above shows. This family moved to a limestone cave, as did 80 other Dover residents, four years ago, to escape shelling from the Calais area, only 22 miles across the English Channel.

Mild Interest Is Shown By Voters In Tuesday Primary

With mild interest being shown by the rank and file of voters, Pennsylvania will hold a presidential primary election next Tuesday . . . Warren county will hold a primary and also what appeared to be an iron-clad, irrevocable election. The three-one GOP majority in this and surrounding counties means that, for all intents and purposes, a congressman and assemblyman will be chosen next week.

The Democrats have a candidate for congress, but only a political miracle would be able to put him in office in Washington. The Democrats have no candidates for assemblyman printed on their primary ballots.

Martin Pleads For Action To Aid Dairymen

Washington, April 21.—(P)—Governor Edward Martin today called on federal wartime agencies to set up a milk production policy that will "enable farmers to plan their future operations with some degree of assurance."

Coming here personally to plead the cause of Pennsylvania milk producers before top ranking military officials, the Pennsylvania chief executive also urged in a prepared statement "that action be taken such as may be necessary to enable the various state and market officials to carry out their functions as designated by state and federal laws."

Martin's conference with OPA Administrator Chester Bowles, War Food Administrator Marvin Jones and Stabilization Director Fred M. Vinson along with representatives of other northeastern states came as a climax in a long fight for increased milk prices.

The fight was launched by the governor following OPA's refusal last fall to approve orders of the commonwealth's milk control commission boosting producer prices 90 cents a hundredweight (47 quarts) and retail prices two and three cents a quart.

The prediction was made as the OPA announced an average 50 per cent slash in the ration point value of lamb, to be effective Sunday, April 30.

POINT REDUCTION IN BUTTER IS PREDICTED

Washington, April 21.—(P)—The ration value of butter may be reduced four points next week. Informed sources assert that the Office of Price Administration (OPA) will announce a reduction from 16 points to 12, and that sufficient supplies are now available to permit the cut without causing a scarcity in areas remote from producing centers.

The prediction was made as the OPA announced an average 50 per cent slash in the ration point value of lamb, to be effective Sunday, April 30.

Chrome Shipments Halted By Turkey

Ankara, April 20.—(Delayed)—(P)—Turkish chrome shipments to Germany and her allies will be halted at 7 p. m. tomorrow in response to Allied requests.

Foreign Minister Numan Menemencioglu announced the government's decision to the National Assembly today, explaining that the action was being taken in the light that Turkey's position as an ally of Britain.

Menemencioglu emphasized that the Turkish government does not regard Turkey as a neutral.

(Dispatches from London said it was estimated there that Turkey's action would deprive Germany of at least half of her supplies of chrome, essential in the hardening for armor plate and other war goods.)

ACTIVITIES ARE RENEWED ON BALTIC FRONT

Blows Directed By Enemy Against Russian Bridgehead on West Bank of Narova River

2,000 NAZIS LEFT DEAD

By EDDY GILMORE
Moscow, April 21.—(P)—Powerful German tank and infantry attacks have been beaten back by the Red Army near the Estonian border town of Narva and at the foot of the Carpathians more than 800 miles to the south, a Soviet communique announced today.

The German blows on the Baltic front, which had been quiet for six weeks, were directed against the Russian bridgehead on the west bank of the Narova river southwest of Narva and were preceded by a heavy artillery barrage, the announcement declared.

"The Hitlerites appeared to hope to smash our defenses in one blow, but they miscalculated," the bulletin said. More than 2,000 Germans were officially reported left dead on the battlefield and many more slain in repeated attacks.

The German-Hungarian counter-offensive at the foot of the Carpathians, first announced by the Russians two days ago, spread yesterday from the east of Stanislavow to the south, where the Red army was credited with hurling back furious attacks.

Grim battles were reported continuing in full swing at the outskirts of besieged Sevastopol, meanwhile, and front dispatches said that thousands of Germans and Romanians drowned in the Black sea as Soviet bombers and torpedo planes kept up hourly attacks against convoys seeking to reach Romanian ports.

The Russians said bombers attacked two convoys Monday night, sinking a 3,000-ton transport and another of 2,000 tons, and on the following day swooped on two more convoys, sinking a 5,000-ton transport and numerous smaller ships and barges. Berlin Broadcast Displays the Jitters

London, April 21.—(P)—The Berlin radio said today the American and British navies were massing "the greatest concentration since Dunkerque" in British home waters for the western invasion.

"Troops are leaving London which is becoming more and more deserted by British, American and Colonial troops," the broadcast said.

"Every day now troop trains are leaving London stations, taking men to channel ports and to ports on the south and east coasts."

The Vichy radio, also broadcasting invasion rumors, declared the main invasion blow from the west assaults in Italy and the Balkans, would be timed with new Allied aid.

Hand Grenade Causes Excitement In Chicago

Chicago, April 21.—(P)—Excited tenants milled outdoors waiting for an explosion while Theodore Reich stood in the apartment basement with a hand grenade he had discovered there. They wouldn't let him come out.

Finally, Reich escaped through an unwatched door, called police. The weapon was soaked, a detective pulled out the pin. The crowd drew back and waited. There was no explosion. The grenade was of the 1918 variety.

Reich invited everybody to his apartment for coffee.

Admirers Continue Vigil For Pittsburgh's 'One Man Army'

Pittsburgh, April 21.—(P)—until Monday or later, when no word of his whereabouts or possible arrival time was received this morning. He was granted a full-fledged two weeks ago.

Meanwhile, his "mom," Mrs. Irene Kelly, was kept busy with the rest of her boys. Eight of her nine sons are home. James, the last of Kelly's soldier brothers to arrive home to greet the "one man army," came in early today from Fort Knox, Ky.

Warning Out On Burning Of Debris Piles

Acting Supervisor of the Allegheny National Forest George Spiney has issued a warning relative to the burning of piles of debris during the time when the grass and woods bracken is tinder dry. "Few realize the danger of this practice," said Mr. Spiney "as the fires can so easily get out of control and cause a most damaging woods fire. Persons should also realize that they are liable for

the damage done. Women are great offenders as they clean up yards and pile up the debris and burn it. Many cases have been reported where homes and buildings have been destroyed through this practice."

Yesterday on Lot No. 342 between Warren and Kane a fire was started from burning of debris and it got out of control and a house and barn were threatened. Only prompt work of the forestry department in sending fire crews to the scene halted the fire. Every man taken from an essential job to fight fire slows down the war effort and gives comfort to the enemy.

Another forest fire yesterday burned over 17 acres on a hillside

near Sheffield where only a few years ago a most disastrous forest fire raged. High School boys and men from Sheffield were called upon to aid in fighting this fire and it was finally checked. This fire is thought to have been started by children playing with matches.

The fact that there was not a high wind blowing yesterday aided in the fighting of these fires. Had the wind been blowing more than two miles an hour the flames would have been lashed into fury and the house and barn would have been burned and a huge area destroyed. A wind of six miles per hour, according to forestry officials, will spread a fire with speed and do great damage.

TIMES TOPICS

GUN CLUB TO MEET

Warren Man In South Pacific

Somewhere in New Guinea—William R. Walker, son of Mr. and Mrs. W. I. Walker, 519 Conewango avenue, Warren, Pa., recently promoted to first lieutenant, is pictured above showing a knife to a native. He is supply officer of a heavy automotive maintenance company in the forward southwest Pacific area. The lieutenant's job is far different from his civilian bookkeeping position at the Walker Creamery Products Co. Now he must be thoroughly familiar with all types of parts, vehicles and specialized motorized equipment, such as heavy duty trucks, wreckers, cranes and weapons carriers. Roadways in the forward areas are poor at best and often trails and beaches offer the best surfaces. Replacement and maintenance of parts is a big business under such conditions. Lt. Walker has been in Gen. MacArthur's command since May, 1943. Previously, after more than a year as supply sergeant in an engineering regiment, he gained his commission July 3, 1942. The lieutenant has two cousins in the armed services, one each in the army and navy. His wife, Mrs. Walker, now lives at 412 Front street, Wheeling, W. Va.

Husband Of Local Woman Listed Missing

Mrs. Mary Bliss, 12½ N. South street, has received word from the Secretary of War, that her husband, Lt. Edwin E. Bliss, is missing in action in the Mediterranean Area since March 29th. Lt. Bliss, a bombardier, flew in a B 24 Liberator Bomber, with the 15th Air Force based in Italy. He has been overseas since Dec. 1, 1943 and is a veteran of many missions. Some time ago he received the "Air Medal" following the raids on Regensburg, Germany, for courage, coolness and skill, and has also received an "Oakleaf Cluster".

Prior to going overseas he trained at Kelly and Ellington Fields in Texas, and graduated from Midland, Texas, Bombardier School where he received his Wings. He took further training at Air Bases in Salt Lake City, Utah, Boise, Idaho, Casper, Wyoming, Fairmont, Nebraska, and Lincoln Nebraska.

Lt. Bliss is the grandson of Mr. and Mrs. Harry Bliss of Sheffield. It is believed that Lt. Bliss was on a bombing mission in Bulgaria or Yugoslavia.

Warren WAC Given Medal In No. Africa

At a recent military ceremony in a North African city, members of a WAC company who had qualified for the wearing of the "Good Conduct" ribbon for serving for one year with exemplary conduct and efficient duty, received the award.

The group is attached to the Services of Supply. A very unusually high percentage of the WACs who had served the required length of time were given the red and white bar.

In charge of the ceremony was the Commanding Officer, Capt. Elizabeth Taylor of Fort Valley, Ga. Assisting in the presentation were 1st Lt. Cherry Devereaux of Bronxville, N. Y., Lt. Eulalie Belfel, Madison, Wisconsin, and Lt. Louisa Givogre of Wisdom, Montana.

Sgt. Helen E. Lichtenberger, daughter of Mr. and Mrs. J. Lichtenberger, 33 Hemlock street, Warren, was one of the WACs who received the "Good Conduct" badge at the ceremony. She has spent several months in the North African theatre and is currently assigned as Personal Sergeant of her company.

Cornplanter Forest Area Fires Blaze

Jay Pees, of the Department of Forests and Waters scanned the skies this morning and made an ardent wish for rain after a strenuous day yesterday fighting fire. Mr. Pees has the Cornplanter area under his supervision for fires and from 8 a. m. yesterday until about 3 o'clock this morning he and his fire truck, equipped with forest fire fighting apparatus were on the go.

The first fire at 8 o'clock broke out on Matthews Run and it was stopped after a small area had been burned over. The second call was to Sheffield and the next was

near Tidououte boro where a fire raged on the top of a hill and gave the crew a hard fight. Here the grass was high and burned with a wild flame that gave much trouble. At 2 a. m. a fire on the old Schuler farm on the Warren-Tidououte road broke out. This plot had a plantation of new planting upon it and the men worked hard to save this but many of the trees were lost.

The Cornplanter area also reported fires in Venango and Forest counties. One on the Rynd Farm in Venango county gave much trouble. In Forest county fires were fought at West Hickory and Marienville. It is reported that all of these fires would have spread much more rapidly had there been a high wind blowing at the time.

Homemaking Teachers To Hold Meeting

Homemaking teachers of Warren, Elk, Forest, and McKean Counties will hold their annual spring meeting at Bradford Senior High School Saturday April 22.

A panel discussion on "How can home economics contribute to the total school program?" will be led by Mrs. June Millison, home-making adviser for Crawford and Erie counties. Gertrude Ostroski, of Youngsville, will be one of the participants on the panel.

Miss Frances Livingston Hoag, from Department of Public In-

struction, Harrisburg will address the group on the topic, "Teaching Nutrition Through School Feeding."

Lunch will be served by Bradford vocational students. Exhibits and a tour of the well-equipped homemaking department will conclude the day's program.

NOW FOR THE VICTORY GARDEN
With the return of favorable weather no time should be lost by those planning Victory Gardens this year. Many of the early vegetables should be in the ground, which in numerous instances has not been cultivated. The war food administration, still hoping for 22 million victory gardens this year urges—as do local agencies, such as the county agent's office—"an increase in enthusiasm so that this year we can eclipse last year's record."

We agree with the W. F. A. and with other agricultural officials that there appears to be a lack of enthusiasm, as compared with last year. The garden planners do not seem to be "on the ball" this spring—or at least they are not talking so much about it. But it's still not too late to start planning that victory garden, as the War Food Administration points out in announcing what it terms a set of three "golden rules" for the amateur gardener.

These rules appear to be worth passing along.

1. Determine in advance the family's nutritional needs and plan gardens accordingly so as to spread the supply of vegetables fairly even over the growing season.
2. Don't waste labor, seed and fertilizer on poor soil. As a general rule, if soil grows a fine crop of flowers or weeds, it will grow a garden. No garden should be planted in the shade. A depth of eight inches is deep enough for plowing—too deep if subsoil is turned up. Small gardens can be turned and broken with a spade or spading fork. If done a little at a time, this is not beyond the "physical capacity of most gardeners."
3. Elaborate tools are a waste of materials and money, since the average garden can be cultivated with three basic tools—a hoe, a rake and a spading fork.

Applying a few simple rules like these, a bit of common sense and a fairly liberal quantity of energy, the average amateur ought to find backyard-gardening both a pleasurable and profitable venture—especially if he has behind him the experience of a productive year afield in 1943.

GUARD AGAINST FOREST FIRES
The Pennsylvania Department of Forest and Waters issued the following appeal for cooperation on the part of every citizen to use extreme care in helping to avert forest fires:

We are now entering with some gusto into the Spring Forest Fire Season. We are faced with a terrific problem in securing the manpower necessary to suppress any fires that occur. In view of this fact it is very necessary that the people of Pennsylvania, including this section, should use every possible caution to prevent the occurrence of a forest fire.

Our records show that approximately 95% of all the fires occurring in Pennsylvania are due, one way or another, to human carelessness. At the present time our greatest difficulty comes from the careless burning of rubbish and brush around homes adjacent to bare fields or forests. Care must also be taken in the use of matches and smoking material of all kinds.

With the fishing season on, we must appeal to all fishermen to use the greatest care, not only in smoking, but in the building of camp fires. A good sportsman will be sure that his fire is dead out before he leaves it.

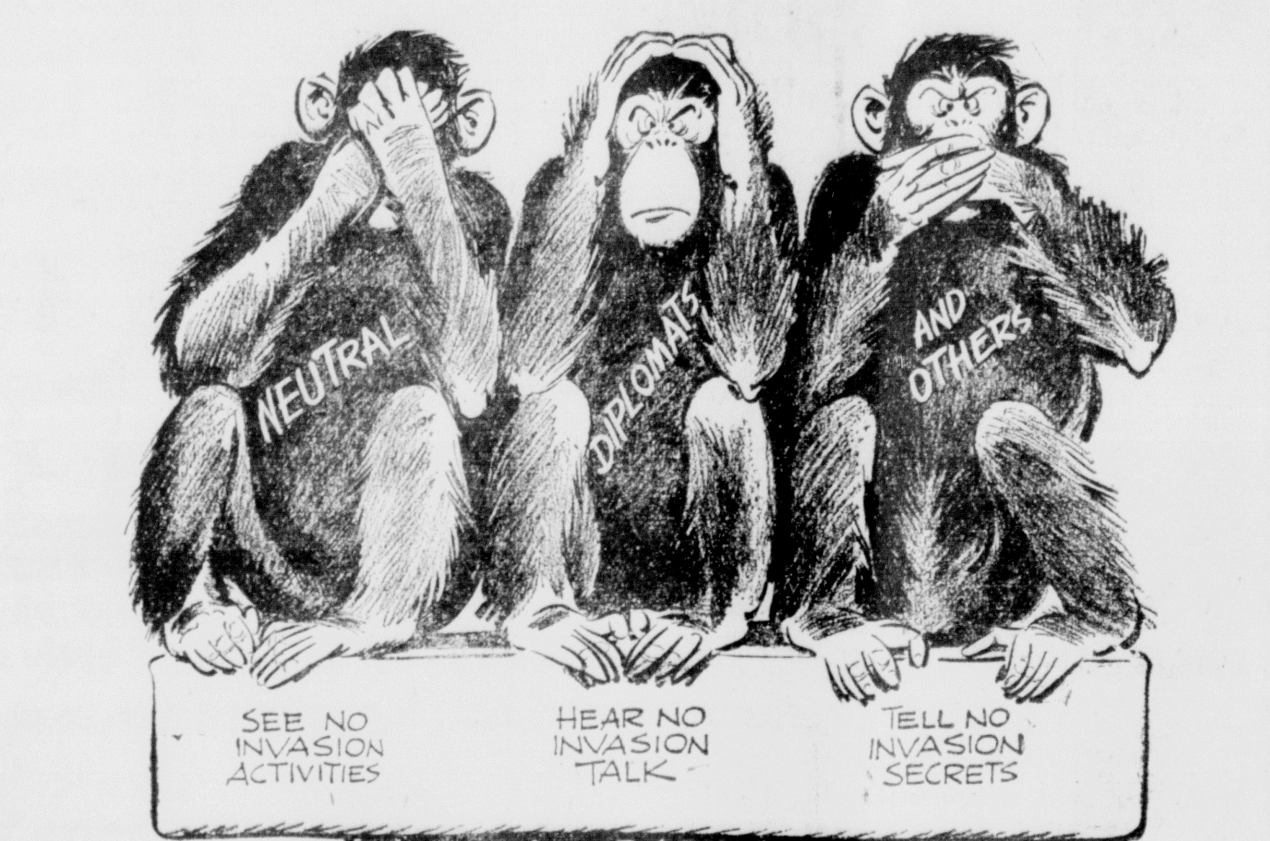

Every acre of forest that is burned means a loss of valuable timber which is desperately needed for the war effort or for the years to come.

"WORLD ORDER COMPACT"
A "World Order Compact", adapted from and in the same format as the now famous Mayflower Compact, signed in the cabin of that historic vessel in 1620, and the rules by which the Pilgrim Fathers first lived in America, will be signed on Sunday, May 21, in hundreds of Congregational Christian churches throughout the country. This dramatic act will climax the campaign now being waged within the denomination to "have each member work with one another for the bringing in of a cooperative world." Church members are urged also to write their representatives in Washington urging American cooperation in post-war plans for international order.

Don't wait until Invasion Day. Go to church tomorrow for prayers and meditation for the safety of our men and women who are preparing for one of the greatest tasks that has ever confronted christianity.

YEARS AGO IN WARREN
Interesting Items Taken From The Warren Evening Times

In 1924
The attendance at the annual dinner of the Woman's Club set a new attendance record when 228 women were present. Miss Ella Tybout was re-elected as president of the body for the coming year.

The 25th wedding anniversary of Mr. and Mrs. J. H. Perks was celebrated Saturday evening when a group of their friends gathered at their home and gave them a surprise visit. Gifts of silver and flowers were received.

Last year in Warren county 1760 acres of land were burned over through forest fires which were started in the main part by carelessness. A warning has been given fishermen and others to observe care in starting fires in the woodlands.

L. L. Bishop was elected as a Club to replace Dr. Emory Thompson, who has left the city.

Louis Werle, who at one time lived in this city at Fifth and Water streets but who now makes his home at North East is today celebrating his 86th birthday. Many of his friends here remembered him with post cards.

In 1934
The Lady Minstrels presented some time ago in St. Joseph's hall may be repeated again. So great was the success of the event that requests for another showing are being received.

"Here Comes Charlie" a home talent show, will be given at Clarendon by folk of that town soon. The show was originally presented April 6th and the repeat is by "special request."

Major Malpass of Pittsburgh, one of the Salvation workers of this end of the state entertained the Kiwanis Club today. He sang a number of songs and spoke briefly.

The first few days of the trout fishing season have seen a large number of anglers on streams of the county. A few are getting some fish but the catches are not large and anglers say conditions are not good.

Chief of Police George Haeft has issued a proclamation relative to the enforcement of traffic rules in the city. He has instructed the patrolmen to enforce the rules strictly and arrests will follow violations.

WASHINGTON OBSERVED
FEB. 11
George Washington was 20 years old when the colonies adopted the Gregorian calendar which moved his birth date from Feb. 11 to Feb. 22. He never celebrated his birthday on the latter date. Friends gave him his first birthday party on Feb. 22 and it was celebrated at Valley Forge in 1773.

Golden Wings For Brownies At N. Warren
An interesting ceremony took place at the Community House in North Warren on Wednesday afternoon when six girls of Brownie Scout Troop 35 flew up to become members of Girl Scout Troop 55. The Fly-up ceremony was shared by the Brownie Troop and the Girl Scout troop with Mrs. Walter Andregg in charge. After receiving the golden wings which are to be worn on the right side of the Girl Scout uniform to denote

their Brownie training, the Brownie Scouts were invested as Girl Scouts by Mrs. Andregg and the Girl Scouts welcomed them into their group. Mothers of the Brownie Scouts and the Fly-up Brownies were guests of Troop 35. Mrs. Hugh Logan and Mrs. Charles Hudson, former leaders of the Brownie troop and Mrs. A. N. Correll were also guests. Mrs. Elviss Barrett, member of the troop committee of Troop 55, was in charge of the Girl Scouts. Mrs. F. M. Biddle, Mrs. Hilding Bengs, and Mrs. Earl Biddle formed the committee for refreshments for the party which followed the ceremony. Mrs. Armour McDonald and Mrs. Kenneth Barrett were on the serving committee.

School Music Boosters Plan Many Events

Many events of importance listed for the next few weeks were discussed and formulated at the April meeting of the School Music Boosters' Club held last evening at the Beatty building. Chief among these were plans for the local observance of "Music Week," May 8 to 12.

Arrangements were completed for the Music Boosters' tag day to be held in Warren May 13. Also discussed was the forthcoming program to be given by grade school pupils at the Beatty gym May 9th, with all sixth grade pupils singing songs. Another important event announced is the program to be given May 12 by the orchestra, band and chorus, annually known as the "Thank You" concert.

An invitation was received from the Community Council P. T. A. to attend a meeting at the high school May 2 at 7:30 o'clock with Youth Recreation being discussed. Before the serving of delicious refreshments in the cafeteria by a committee under Mrs. D. J. Warle, the following program was presented:

Clarinet quartet, "Minuet" (Schmidt)—Virginia Johnson, Beth Smith, Bill Fuellhart and Leland Day.

Violin solo, "O Sweet Mystery of Life," (Victor Herbert)—Nick Geracimos, accompanied by John Knapp. Encore, "Messing Around."

Piano solo, "Concert Etude," (MacDowell)—Eleanor Peters.

DETAIL FOR TODAY

Hammock

It is the practice of many soldiers to take HAMMOCKS into the field with them. Perhaps it is their way of making it obvious that they prefer the Navy, but were drafted before they had a chance to make a choice. In some climates, sleeping on the ground is not particularly healthful, due to various and sundry creeping, crawling creatures that infest the area. It is here that the HAMMOCK comes into its own and is really appreciated.

Victory Garden

Now that you're planting Victory Gardens in your backyard or window boxes, don't neglect the Victory crop of used fats you can harvest right in your kitchen.

Just as homegrown carrots and beets add to the country's food resources, so are used cooking fats a product so vitally needed in our industrial and civilian economy that OPA allows cash and extra ration points for every pound turned over to the meat dealer.

Plant a fat salvage container on the shady back of your stove. Nourish it with meat drippings, roasting and frying scraps, raw fat trimmed from meat and melted down. Weed out all bones and chunks of meat.

Soon your used fat container is full and your harvest is ready for the market.

A representative from the Erie Field Office of the Social Security Board which serves this area, will be at the Employment Service Office, 225 Pennsylvania Avenue W. Warren, on Monday, at 1:30 p. m. It was announced today by George W. Ervin, manager.

COURSES OPENED

Courses in the Production, Conservation and Processing of food for family use are being offered to the Communities of Warren County. This is one of a series of courses which has been offered in the "Food for Victory" Program. Courses are now in operation at Youngsville and Lottsville, and courses are being organized for Sugar Grove, Lander and Russell. The course aims to provide systematic instruction in activities and skills related to increasing the family food supply. The courses are operated by the School Districts of the various communities in their local school plants under the supervision of the County Vocational Office. It is hoped that a large number of families will take advantage of this opportunity to increase their food supply.

LUDLOW

The Young Women's Missionary Society was entertained at the Lutheran church on Tuesday evening, April 11, by Miss Lillie Davis. The meeting opened with song and prayer followed by the business meeting conducted by the president, Miss Tillie Olson. One topic for the evening was "Lutheran World Action," in which all those present participated. The hostess served a delicious lunch.

Messrs. Herman Hanson and Evert Johnson were hosts to the Lutheran Brotherhood on Thursday evening at the church. Clyde Gilfert, president, presided. The usual business meeting was held followed by an interesting program consisting of the following numbers: Reading, E. W. Johnson; accordion selection, Mrs. Ed. Wenstran; vocal solo, Carl Swanson; reading, Mrs. Julius Swanson; vocal solo, John Gaynor; accordion solo, Mrs. Wenstra; talk, Lt. Karl E. Olson; remarks, Rev. Olson. The meeting closed with a hymn and lunch was served later.

The Lutheran Ladies' Aid was entertained on Friday afternoon at the church by Mrs. Frank Nelson and Mrs. Ronald Shaffer. The meeting was conducted by the president, Mrs. Mollie Mattison. The usual business meeting was held. A short program followed: Reading, by Mrs. C. W. Swanson, and a prayer by Mrs. Axel K. Anderson. The meeting closed with a song and benediction by the president.

The Lutheran church board met at the church parlors on Thursday evening prior to the Lutheran Brotherhood meeting. Regular business was discussed with the meeting conducted by the Rev. Nelson of Wilcox. Those in attendance at the Lutheran District Missionary meeting in Warren were Misses Tillie Olson, Edith Larson and Lillie Davis, Mrs. John G. Johnson, Mrs. Emil Nelson, Mrs. C. J. Carlson, Mrs. C. W. Swanson, Mrs. Wm. Hanson and Mrs. Frank Nelson. Miss Larson conducted an impressive Memorial Service given in honor of departed members. A member from Ludlow, the Mrs. C. J. Anderson, was memorialized by a song, "Children of the Heavenly Father," sung in the Swedish language by Mrs. Emil Nelson and Mrs. Wm. Hanson. Miss Tillie Olson is the district treasurer and gave her report. Mrs. Emil Nelson took part in the program by singing a solo entitled, "Love Divine." All those in attendance felt inspired to new efforts by the splendid program, interesting reports and fellowship enjoyed after the meeting.

Mrs. Arthur Christenson was hostess to the American Legion Auxiliary on Tuesday evening,

Attention, Republican Voters!

On Tuesday, April 25, 1944, the voters of Pennsylvania will go to the polls and register their choice for United States Senator, Judges of the Superior Court, State Auditor General and State Treasurer, also for Delegates and Alternate Delegates to the Republican National Convention, Representative in Congress—19th Congressional District, Representative in the General Assembly and a Member of the State Committee and County Committee.

While we have a harmony ticket, let us not do as has been done in some of the European countries, lose our interest in elections, which may result disastrously and lead to dictatorship.

Every Republican voter should do his or her utmost to get out and vote at the Primary and urge all friends of our American Form of Government to do likewise. Why not call your neighbors on the phone and urge them to make an extra effort to go to the polls on April 25th and pave the way for a Republican victory in November?

LASTING WALKING COMFORT

Jarman SHOES FOR MEN

Now, in these days of more walking in less pairs, it's more important than ever to invest in lasting walking comfort. Before you part with your ration coupon, just try on a pair of Jarman's—you'll like their friendliness of fit.

Girls' Pin-Ups

You might expect college girls to decorate walls of their dorms with "pin-up boy" pictures, but photo above indicates Phi Chi sisters at Ohio Northern University, Ada, Ohio, like pin-up girls as much as G. I. Joe does. Backgrounded by shapely pin-ups, comely sophomore Dorothy Deringer writes a letter to her boy friend in the service.

Church Notes

Sunday morning there will be
the Ordination and Installation of
Deacons at the First Presbyterian
church. Mr. Warren will use as his
topic the second in the series of
"Sharing Christ's Victory". 2. For
the World. The choir will sing "As
Pants the Hart" and a quartette
will sing "As Torrents in Sum-
mer". The evening Bible class will
meet at 7:30 in the Sunday school
auditorium.

At the Ludlow Lutheran church
next Thursday evening at 8
o'clock there will be a showing of
the film strip "Love's Working
Arm". This depicts the good work
being done by the Lutheran World
Action in war-time.

The choir of the Chancellors Val-
ley Lutheran church is sponsoring
an organ recital by Professor Per
Ohlson, organist of the First Luthe-
ran church of Jamestown, N. Y.
The recital begins at 8:15 p. m.
and will be held Sunday evening
April 23rd. The Brotherhood of the
Saron Lutheran church, Youngs-
ville will have a tureen supper for
the Scout Troop and Scoutmaster
on Wednesday evening, April 26th.
6:30 p. m. followed by a farewell
program for the scoutmaster Mr.
Walter Dale, who will shortly
leave for the army. Dr. H. A. Rin-
ard, pastor of the First Lutheran
church of Warren, will be the
speaker. The Bible class of the
Saron Lutheran church, Youngs-
ville, will meet Thursday April 27,
8 p. m.

Much interest is being shown in
the revival campaign now in pro-
gress in the Calvary Baptist
church. Meetings are held each
night except Saturday and Mon-
day, beginning at 7:30 o'clock.
Evangelist Oscar R. Gunterfeldt
will preach at both services Sun-
day. The final week of these spe-
cial meetings will begin Tuesday
evening. Friends and neighbors are
cordially invited to all services.

The Rector of Trinity Memorial
church will begin a new series of
instructional sermons on "Wor-
ship" next Sunday at the eleven
o'clock service. A cordial invita-
tion is extended to all who care to
participate in these services.

Air Wardens Face Biggest Job In Future

Air raid wardens who have had some busy days in handling the raid warning tests and checking up their districts now face one of the toughest and most important jobs since their creation as a group. Under a plan sponsored by Gov. Edward Martin, of this state the warned will be called upon to compile a complete list of the men from this state who are in service.

The taking of the census with the last known address of the man will be done in house to house calls and the information will be turned over to the county commissioners who will compile it in complete alphabetical order. It is possible that in the larger towns and cities the block leaders may be called upon to assist.

But in the country districts the counties will have to be divided geographically and the census will be a hard thing to compile. Coverage of many miles will be required and the task will have to be thoroughly done that none of the men and women in the armed forces will be missed.

Just when the work will be started is not known but arrangements are now under way.

The state is compiling a history of the Pennsylvania's effort in World War II and the lists will undoubtedly be incorporated in the history to make it complete.

NOTICE

Sealed bids will be received by Town Council of the Borough of Warren, Pennsylvania, at a public meeting of said Council to be held on the first day of May, 1944, at seven-thirty o'clock P. M., for the purchase of the following, to-wit:—

Nine Thousand (9,000) gallons of Resurfacing Material to meet Pennsylvania Department of Highways Specifications H-2 for Tar or C-E for Asphalt to be delivered in tank trucks, heated and applied by the successful bidder on the streets of the Borough of Warren, Pennsylvania, during the months of July and August, 1944, at such times and at such places as the Street Committee or the Borough Engineer may direct.

Each bid must be accompanied by a certified check of the bidder in the sum of ten percent (10%) of the amount of the bid as a guarantee that he will enter into a contract for the furnishing of the material specified, if bid is accepted.

The Street Committee and the Borough Council reserve the right to reject any and all bids.

M. L. DOUGHERTY,
Borough Secretary.

Campaign Nets Women For Various Plants In the District

In line with the campaign to secure women for the essential industry of the county the Manpower Commission is making every effort to produce the five or six hundred women needed. Every day more and more women are enrolling and Manager Levine of the Man Power office does not feel that there will be any special difficulty in securing all girls and women necessary to man the various plant needs.

This morning the girls of Youngsville were appealed to by Sylvanus Davis, of the Employment office and he spoke before the Senior class of the Youngsville high school. Mr. Davis outlined the needs in the various plants and industries of the county and pointed out how essential it is that women come forward to take their places on the home front to back up the men at the war front.

This afternoon Manager Levine of the Man Power Commission is in Sheffield at the township building where girls and women are being interviewed. Examinations as to eyesight are also being given by a representative of the Sylvania Company. This will save the trouble of having to come to Warren for the tests.

Tomorrow morning Mr. Davis

and an eyesight examiner will be at Tidoute to interview and hire girls and women and it is to be hoped that the women of the Tidoute district will turn out in large numbers.

This has been a successful week in the enrolling of women in industry and Mr. Levine states that not only the Sylvania but various other places about the county are being given placements from the women who enroll. Women who do not fit in one place are assigned to another place so that as a result of the drive all places are benefiting.

Chemical Society Hears Professor

The monthly meeting of the Pennsylvania-New York Western Border Section of the American Chemical Society was held last night at the Carver House. Dinner was served at 6:30 to members and guests from Warren and near-by towns.

Professor R. L. Shriner of Indiana University spoke to the Section on "The Chemistry of Natural Coloring Matters". The synthesis and reactions which have led to a new concept of the structure of the anthocyanins were discussed. The relation of this group of compounds to the flavones and isoflavones were also considered.

Professor Shriner has been active in the American Chemical Society for many years. He is now serving as Councilor-at-Large for the term 1943-45. He was Secretary of the Division of Organic Chemistry from 1934 to 1939, and has been elected Chairman for 1944. He is a member of the Editorial Boards of the Journal of Organic Chemistry, Chemical Reviews, and Organic Synthesis.

Former Warren Ball Player Sends Greetings From Front

"Red" Swanson has just received the following letter from Corp. C. A. Clawson, former popular ball player now helping to "dust off" the Axis, which will be read with much interest by his many friends:

"Dear Red: Have you got those old bones all oiled up for the ball season? What is the dope on the home town sports news? Golly Red, I sure would like to be back there for a few games. It just doesn't seem right not to have a ball in my hands. How are things going at the shop—still working hard. Tell the fellows I said hello. 'Have been moving around quite

a bit and am now on a rock which is practically void of mosquitoes, and that is really something. 'How is the family—Mrs. Swanson, Gail and Diana? Gail ought to be about right to step into your shoes around short. 'Red, give my regards to Myron Jewell, Mike Creola, Joe Gardner, Joe Massa and Freddie Gagliardi, and all the old timers. I know I won't get home to see any ball games this summer but I'm sure looking forward to the next one. 'Will have to knock off now, Red, and get some shut eye. Will try to do better next time. 'Always, Chuck."

Army Life All Right, Fritzie Zivic Reports

Pittsburgh, April 21.—(P)—Buck Private Ferdinand Henry (Fritzie) Zivic claimed a new world's title today.

"I'm the egg-breaking champ now," Fritzie, home on a 24-hour pass to see his two-year-old daughter, Janice, who is ill, said. "I broke 150 dozen eggs in 45 minutes. That's a world record," the chef says. That makes me champ."

The former welterweight king, who was in the army only three days before he did his stunt as a "K.P.," was granted the pass because his outfit will leave the New Cumberland, Pa., reception center Saturday for an unannounced destination.

Average Total of Less Than Six Runs Per Game Scored In First Major League Tilts

By JACK HAND
Associated Press Baseball Writer.

More pitching battles are indicated all along the line although the hitters staged a partial comeback in yesterday's series finales. Despite the boost given by the Giants' 10-8 win over Boston, the record shows that an average total of less than six runs per game were scored in the first 20 scheduled tilts.

Early Wynn couldn't have been better if he'd been pitching all summer than he was in blanking the A's with two singles for Washington's 5-0 win. Dick Siebert and Buddy Hall were the Philadelphia "Spoilers." The Sens put on a weird base-running exhibition in the fifth when Roberto Ortiz slid into third base on a triple to find Stan Spence waiting for him. Stan had to leave and was tagged out in a run down.

Sigmund Jakucki, 31-year-old righthander from Galveston, Texas, who holds an army medical discharge, broke into the American League win column for the first time by hurling the Browns to an 8-5 edge over Detroit although he allowed nine well-spaced hits.

Fritz Osternueller was even more liberal than Jakucki but also lasted all the way in pitching Brooklyn to an 8-2 decision over the Phils. The veteran lefthander allowed 13 hits but his mates clawed four Blue Jays for 14, including four by Augie Galan.

The home run power has been concentrated in the New York Giants who lashed out with circuit clouts by Mel Ott, Joe Medwick and Ernie Lombardi again yesterday in their 10-8 slugfest win over Boston.

Thomas De La Cruz, a stylish Cuban from Havana, did the best hurling job in the National in Cincinnati's 2-1 victory over Chicago.

Football Loop Expansion Off For Duration

By HUGH FULLERTON, JR.

Philadelphia, April 21.—(P)—The owners of eleven National Football League clubs, having ruled out expansion until after the war, today looked into the possibilities of contracting their circuit to escape the difficulties of an unwieldy program.

The professional league yesterday tabled five applications for membership from four cities. These applications may be revived at any time the league wishes, leaving the road open for expansion to the west coast if it seems desirable or necessary to meet competition. The club owners made it clear, however, that they don't plan to increase their circuit until after the war.

The unsuccessful bidders for franchises, whose \$25,000 forfeits were returned, were Capt. Ernie Nevers and Anthony Morabito of San Francisco, Abe Watner of Baltimore, Sam Cordovano of Buffalo and an unnamed Los Angeles man.

MRS. PAGE AND KAY BYRNE PLAY FINALS

Pinehurst, N. C., April 21.—(P)—A veteran and a newcomer—Mrs. Estelle Lawson Page, the Chapel Hill housewife, and Kay Byrne, the young Metropolitan star from Rye, N. Y.—battled today for the annual north and south women's golf title.

In the semifinals yesterday Mrs. Page easily disposed of Mary Clay O'Connor of Durham, 5 and 4, while Miss Byrne advanced over Marjorie Row of Anniston, Ala., 2 and 1.

MARSHALL FAVORED TO BEAT LAMOTTA TONIGHT

Cleveland, April 21.—(P)—Lloyd Marshall remains an 8 to 5 favorite to defeat Jake Lamotta in their 10-round bout scheduled for the

arena tonight despite the westerner's difficulty in paring down to the specified 161 pounds.

Johnny Rogers, Marshall's manager who put up \$5,000 to guarantee his fighter's weight, is optimistic about the weighing-in scheduled for noon today.

Aluminum license plates have been so successful that they may become the established type after the war. Being non-rusting and weather-proof, they are said to retain their appearance five years.

Between 1930 and 1941, U. S. improved roads doubled, while a tomobile registrations expanded but 28 per cent.

It is estimated that approximately \$3 billion a year for five years will be required after the war for highway repairs, construction and extension.

Wednesday's Pick-up Nets Twenty Gross Tons of Tin

"Come on!" ordered the dynamic gentleman behind the wheel. "Where to?" questioned your humble scribe. "No questions, please. You'll see," was the rejoinder. "But I've got my old clothes on," we object. "Get in," the order was renewed in no uncertain terms, and your scribe proceeded to gulp and comply. Three minutes later we were standing on a platform at the New

York Central siding down on Fourth Avenue West. "Take a look at that car," W. T. Corbett directed. "It is one of the big ones and you can see what it contains." We could indeed. It needed no emphasis from the hard-hitting Salvage Committee to appreciate the contents of the car. It was loaded to the gunwales with tin cans brought from every community, every road, every highway and byway, of Warren County in load and turned in the total of

3,475 pounds. The car contained approximately 2,058 cubic feet of cans and they appeared to be beautifully processed. Sheffield came through with two large loads of cans and another believe-it-or-not story from Warren County Champion Juvenile Campaigner, Robert Hoden. In Wednesday's drive this remarkable six-year-old salvage performer gathered 2,960 processed tin cans. Added to his previous collection of 1,650 cans, this makes a total of 4,610 or one-half gross ton of cans this young man has collected. He is to receive a captain's sleeve insignia from W. T. Corbett, County Salvage Chairman. While announcing the success of the tin can collection Mr. Corbett also revealed that Youngsville is planning a collection of rags from the curb on Wednesday April 26. All residents of Youngsville are requested to place on the curb by 10:00 a. m. on that date all rags, old clothing, cotton materials, bur-lap bags, rope or similar material they may wish to donate. This material may be put in bags or cartons or tied in bundles with

string. Proceeds of this rag collection will be used by the Youngsville Service Club for packages to be sent to Youngsville men in the service. The pick up is under the direction of Elton D. Barton, Youngsville Salvage Chairman. Horses are more liable to catch pneumonia in the winter than dogs. The first all-metal plane was built in 1922 and was equipped with two 300-horsepower engines.
